

that the participating jurisdiction will use for matching contributions to the HOME program;

(ii) The statute or local ordinance requires repayments from its own trust fund to be made to the trust fund;

(iii) The participating jurisdiction establishes a separate account within its own trust fund for repayments of the matching contributions; and

(iv) The funds in the account are used solely for investment in eligible activities within the participating jurisdiction's boundaries in accordance with the provisions of this part, except as provided under §92.201(a)(2).

(3) The funds in the local account cannot be used for the matching contribution and do not need to be matched.

(d) *Reductions.* HUD will reduce or recapture HOME funds in the HOME Investment Trust Fund by the amount of:

(1) Any funds in the United States Treasury account that are required to be reserved (i.e., 15 percent of the funds) by a participating jurisdiction under §92.300 that are not reserved for a community housing development organization pursuant to a written agreement within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement (HUD will make the notification on the date HUD executes the agreement);

(2) Any funds in the United States Treasury account that are not committed within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement (HUD will make the notification on the date HUD executes the agreement);

(3) Any funds in the United States Treasury account that are not expended within five years after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement (HUD will make the notification on the date HUD executes the agreement); and

(4) Any penalties assessed by HUD under §92.552.

**§92.501 HOME Investment Partnership Agreement.**

Allocated and reallocated funds will be made available pursuant to a HOME Investment Partnership Agreement. The agreement ensures that HOME funds invested in affordable housing are repayable if the housing ceases to qualify as affordable housing before the period of affordability expires.

**§92.502 Program disbursement and information system.**

(a) *General.* The Home Investment Trust Fund account established in the United States Treasury is managed through a computerized disbursement and information system established by HUD. The system disburses HOME funds that are allocated or reallocated, and collects and reports information on the use of HOME funds in the United States Treasury account. [For purposes of reporting in the Integrated Disbursement and Information System, a HOME project is an activity.]

(b) *Project set-up.* (1) After the participating jurisdiction executes the HOME Investment Partnership Agreement, submits the applicable banking and security documents, complies with the environmental requirements under 24 CFR part 58 for release of funds and commits funds to a specific local project, the participating jurisdiction may identify (set up) specific investments in the disbursement and information system. Investments that require the set-up of projects in the system are the acquisition, new construction, or rehabilitation of housing, and the provision of tenant-based rental assistance. The participating jurisdiction is required to enter complete project set-up information at the time of project set-up.

(2) If the project set-up information is not completed within 20 days of the project set-up call, the project may be cancelled by the system. In addition, a project which has been committed in the system for 12 months without an initial disbursement of funds may be cancelled by the system.

(c) *Disbursement of HOME funds.* (1) After complete project set-up information is entered into the disbursement and information system, HOME funds for the project may be drawn down

from the United States Treasury account by the participating jurisdiction by electronic funds transfer. The funds will be deposited in the local account of the HOME Investment Trust Fund of the participating jurisdiction within 48 to 72 hours of the disbursement request. Any drawdown of HOME funds from the United States Treasury account is conditioned upon the provision of satisfactory information by the participating jurisdiction about the project or tenant-based rental assistance and compliance with other procedures, as specified by HUD.

(2) HOME funds drawn from the United States Treasury account must be expended for eligible costs within 15 days. Any interest earned within the 15 day period may be retained by the participating jurisdiction as HOME funds. Any funds that are drawn down and not expended for eligible costs within 15 days of the disbursement must be returned to HUD for deposit in the participating jurisdiction's United States Treasury account of the HOME Investment Trust Fund. Interest earned after 15 days belongs to the United States and must be remitted promptly, but at least quarterly, to HUD, except that a local participating jurisdiction may retain interest amounts up to \$100 per year for administrative expenses and States are subject to the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.).

(3) HOME funds in the local account of the HOME Investment Trust Fund must be disbursed before requests are made for HOME funds in the United States Treasury account.

(4) A participating jurisdiction will be paid on an advance basis provided it complies with the requirements of this part.

(d) *Project completion.*

(1) Complete project completion information must be entered into the disbursement and information system, or otherwise provided, within 120 days of the final project drawdown. If satisfactory project completion information is not provided, HUD may suspend further project set-ups or take other corrective actions.

(2) Additional HOME funds may be committed to a project up to one year after project completion, but the

amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under §92.250.

(e) *Access by other participants.* Access to the disbursement and information system by other entities participating in the HOME program (e.g., State recipients) will be governed by procedures established by HUD.

**§92.503 Program income, repayments, and recaptured funds.**

(a) *Program income.* (1) Program income must be used in accordance with the requirements of this part. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient or subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by §92.504.

(2) If the jurisdiction is not a participating jurisdiction when the program income is received, the funds are not subject to the requirements of this part.

(3) Program income derived from consortium activities undertaken by or within a member unit of general local government which thereafter terminates its participation in the consortium continues to be program income of the consortium.

(b) *Repayments.* (1) Any HOME funds invested in housing that does not meet the affordability requirements for the period specified in §92.252 or §92.254, as applicable, must be repaid by the participating jurisdiction in accordance with paragraph (b)(3) of this section.

(2) Any HOME funds invested in a project that is terminated before completion, either voluntarily or otherwise, must be repaid by the participating jurisdiction in accordance with paragraph (b)(3) of this section except for repayments of project specific community housing development organization loans which are waived in accordance with §§92.301(a)(3) and 92.301(b)(3).

(3) If the HOME funds were disbursed from the participating jurisdiction's HOME Investment Trust Fund Treasury account, they must be repaid to the Treasury account. If the HOME
